Book Overview:

*In the vein of **Jonathan Strange & Mr Norrell**, comes a new novel from historical fiction maven Ami McKay that transports readers to the heart of Victorian New York, where three witches practice their craft to the delight of some but at their own peril.*

Respectable Lady Seeks Dependable Shop Girl. Those averse to magic need not apply.

New York in the spring of 1880 is a place alive with wonder and curiosity. Determined to learn the truth about the world, its residents enthusiastically engage in both scientific experimentation and spiritualist pursuits.

SÃ©ances are the entertainment of choice in exclusive social circles, and many enterprising womenâ€”some possessed of true intuitive powers, and some gifted with the art of performanceâ€”find work as mediums.

Enter Adelaide Thom and Eleanor St. Clair. At their humble teashop, Tea and Sympathy, they provide a place for whispered confessions, secret cures, and spiritual assignments for a select society of ladies, who speak the right words and ask the right questions. But the profile of Tea and Sympathy is about to change with the fortuitous arrival of Beatrice Dunn.

When seventeen-year-old Beatrice leaves the safety of her village to answer an ad that reads "Respectable Lady Seeks Dependable Shop Girl. Those averse to magic need not apply," she has little inclination of what the job will demand of her. Beatrice doesn't know it yet, but she is no ordinary small-town girl; she has great spiritual giftsâ€”ones that will serve as her greatest asset and also place her in grave danger. Under the tutelage of Adelaide and Eleanor, Beatrice comes to harness many of her powers, but not even they can prepare her for the evils lurking in the darkest corners of the city or the courage it will take to face them.
